

### LEVEL 1:

#### Questions to gather information

- What are the details?
- How would you describe...?
- What do you see? (if an image)
- What do you hear? (if music)

### LEVEL 2:

#### Questions to make sense of information

- What do you think the main idea is?
- What do you think is happening?
- What made you think that?
- What do you think about...?
- How is this different from...?
- How is this similar to...?
- How do you explain...?
- What is the evidence in the text?

### LEVEL 3:

#### Questions to extend your thinking

- Why do you think this happened?
- What do you think will happen next?
- What do you think this experience was like?
- What would happen if...?
- How does this fit in with what we have learned?
- What do you think...reveals about...?
- What do you think...represents?
- Is there another way of looking at this?
- Why is this important?

#### Questions that ask for any response to be made clearer

- What do you mean by that?
- Could you say that in another way?
- Tell me more about...
- How does what you said relate to our discussion?
- How does ...relate to...?
- Do you mean...or...?
- Can you give an example?
